SKULL JOY SOCIETY

+ Welcome to Skull Joy Society \$SJS

+ SKULL JOY SOCIETY

SJS is a collection of 4,444 unique digital and collectible NFTs living on the Ethereum blockchain as ERC-721.

By owning a SJS, you will have access to a private and exclusive community. We will create a Metaverse-Native entertainment franchise to push the boundaries of entertainment industry.

Our loyal Holders will get access to exclusive perks, events and merchandise.

In addition, Skull Joy NFTs will be backed by an equity stake in the SJS treasury, the name of the token will be \$SJS, however Our holders will be rewarded with SJS token airdrops based off of treasury earnings.

Each month, SJS treasury management will publish a treasury report in order to keep SJS members informed of the treasury's holdings and earnings.

Our Roadmap

SJS primary focus will be on our community, we want to grow together and take opportunities together. We are looking for Holders not for paperhands.

+ POST SELL-OUT

Q1 2022

Long term Holders (30 days or more) of 2+ SJS NFTs will have access to a free drop of a new NFTs collection.

+ CHARITY

Q2 2022

We decided to donate 5% for nonprofit organisations that helps with funeral costs. We will let our community decide which charities we are going to donate for.

+ CREATION OF THE SJS TOKEN WITH NFT STAKING FEATURES

Q3 2022

Members who hold one or more SJS NFT will be rewarded with a unique project token for contributing the success of the community. SJS NFTs will be backed by an equity stake in the SJS treasury, our holders will be rewarded with this token based off the treasury earnings. Staking has endlessly applications and we welcome any additional suggestions from the community!!

+ EXCLUSIVE EVENTS

Q4 2022

we love to party we will grant our Holders access to very exclusive events and private parties. (Fifa World Cup 2022 tickets, Private parties etc.)

+ MERCHANDISING RELEASE

Q5 2022

holders will have access to high quality merch (caps/t shirts/sweatshirts..).

The Team

kurama#4964

Founder / Dev | IG: @youness.ek

I have coding experience of about 6+ years in multiple languages. I found NFT space in 2020 and been involved ever since. Coding and Traveling excites me most.

Syed#7136

Co Founder | IG: @syedy527

I have been in the NFT scene for over a year and have immense knowledge about the in and outs of projects. I work as a Computer Engineer but in my free time I'm an investor in the Crypto scene and love to work hard toward a goal.

SJS | Xenon#5688

Founder / Community Manager |

IG: @nadermortada__

I have worked since the start of Discord with communities to make sure all parties (members/mods/admin) are satisfied, channels working properly, and up to date on current trends and more. I will continue to bring that same work ethic to this NFT.

sute nft artist#1386

Artist | IG: @Sute_arts

I have over 4 years experience as an artist, i worked as a freelance artist, after two years I discovered NFTs world. I designed art collections for two successful projects, and now I am working on an art collection for our best project.

SJS | Superlilo90#4761

POAP Manager & SM Assistant

I have over 4 years of experience in social media management, content marketing and branding. During my various jobs as social media assistant, I would be directly interacting with the customers.

moderndayMERCH#0923

Head Moderator | IG: @Mrsduranclan,
@moderndayMerch1

I have been working with moderation of discord, community growth, discord setup, and all things discord since it started in 2015. I helped xx secret society to sold out. I have a passion for knowledge, especially in stocks, crypto, NFTs, and Funko Pops.
